

Minutes to be approved at June 4, 2012 meeting

Central Beaverton NAC Minutes for May 7, 2012

**ITEM DISCUSSED:** Beaverton Police Department

**Discussion points:** Officer Mike Smith/activity for the month

Beaverton police department conducted a Pedestrian Safety Check on May 2nd, 2012 on Beaverton Hillsdale Highway/Griffith Drive from 11am-1pm and gave out 40 citations. Most tickets were given out for Illegal tinted windows, fix-it tickets and suspended licenses.

Beaverton police department has submitted an application through the Edward Byrne Memorial Justice Assistance Grant (JAG) Program through the Bureau of Justice Assistance (BJA), Office of Justice Programs, and U.S. Department of Justice. The Police Department plans to use \$29,000.00 for the purchase of in-car camera/video that have 360-degree recording capabilities. The department is hoping to have every police vehicle equipped with these cameras within two to three years.

The state wide prescription day that was held on April 28, 2012 we received over 50 pounds of expired or unwanted prescription drugs. Doing this helps keep them out of waterways; so please dispose of prescriptions carefully. Do not flush them down the toilet. This just ends up in our waterways. Beaverton Police Department at the City Hall Building on Griffith Drive has a safe dump container for folks who want to dispose of their old/expired/unwanted prescriptions and bottles. The prescriptions and bottles that are dropped off are incinerated safely.

In our NAC area we have had predominately theft calls. There were 9 calls of item stolen out of vehicles. 2/3 of those theft calls were from apartment complexes and 1/3 of those theft calls were from the Milikan Transit Center.

Beaverton Recycling Day is Saturday June 2<sup>nd</sup>, 2012 from 9am-2pm. **Central Beaverton NAC needs your help!!!** We need volunteers to help unload vehicles, direct traffic, and sort. There are low impact jobs as well. You will be trained and supplied with free lunch. Have a great day for a great cause; meet some of the neighbors in your area for the first time. This is a very well organized event. Great for teens and I believe some schools give credit to students who volunteer their time. Please contact Paul Roder, Chairman at [stephenhero\\_98@yahoo.com](mailto:stephenhero_98@yahoo.com) or call 503-372-9506 to sign up. The bigger the turnout, the more money the Central Beaverton Neighborhood Association (CB NAC) makes; so we can continue to provide the Central Beaverton NAC Theatre in the Park program. The CB NAC also donates funds to great causes like the Sunshine Pantry and Toys for Tots to name a couple. We also donated funds to the artists who have painted beautiful murals throughout the Central Beaverton area. So please help by donating some time and help make Recycling Day another success.

**ITEM DISCUSSED: BCCI Reports**

**Discussion points: Melissa Riley, BCCI Representative**

No update of “The Round” open house dates.

The Beaverton Farmers Market is now open

The CBNAC matching grant program enabled Beaverton Civic Theatre to partner with Chehalem Middle School in presenting “The Miracle Worker” while the third grade students studied Helen Keller. Specifically, the BCT performed a scene from the show for the entire school, followed by a free performance at the theatre for the third grade class. The performance included tactile interactive exercises and a question and answer session after the show. The project was a success and we hope to have the CBNAC facilitate another one in the future.

**ITEM DISCUSSED:** Neighborhood Pride Pilot Project

**Discussion points:** George Fetzer, City of Beaverton Code Services Manager

We were notified of the City's lead pilot project to enhance livability and safety in a few selected areas of Beaverton. The City of Beaverton is leading a team effort of government and community agencies, businesses, residents and property owners to enhance livability and safety in a focus area of two selected neighborhoods (Colony Lane and Southridge). This effort is called **the Neighborhood Pride Pilot Project**.

What is the purpose of the Neighborhood Pride Pilot Project?

The first year of the pilot is a learning opportunity to identify what stakeholders want and what methods are most effective to achieve the desired results. We anticipate that participating stakeholders will be the City of Beaverton's Community and Economic Development Department, the Beaverton Police Department, Beaverton Department of Public Works, Visioning Advisory Committee, Washington County Public Health Department, Tualatin Valley Fire & Rescue, as well as a number of volunteers and private sector business sponsors.

The plan includes:

- \*Surveying property owners and residents to identify strengths, weaknesses, and opportunities for improvement in the selected neighborhoods.

- \*Conducting field inspections in the neighborhoods to identify code violations.

- \*Reporting code violations to property owners and tenants with encouragement to correct the deficiencies promptly

- \*Asking participants to select the best-maintained properties for recognition.

- \*Hosting a neighborhood block party to celebrate our accomplishments and to recognize the best maintained properties in the neighborhood with an appreciation award given by Beaverton's Mayor Denny Doyle.

If you have any questions about the project contact: Marianna Lomanto (503)526-2253 or email at [mlomanto@BeavertonOregon.gov](mailto:mlomanto@BeavertonOregon.gov)

The other deadlines in the new Fiscal Year are the last Fridays of November 2012 and February 2013.
